

Frequently Asked Questions about Classic Bronze and Classic Copper

Where will the actual rehearsals be?

- *All rehearsals will be at the St. Albert United Church, St. Albert. The parking is ample and free. Rehearsals are mandatory.*

Are meals included?

- *Some lunches and dinners are provided with your registration - these are detailed on the schedule. You will be responsible for your own breakfast. If you have allergies or are unable to eat certain foods, please let our Registrar Cathy Koski know at classicbronze.org@gmail.com.*

• What about accommodation?

- *It will be your responsibility to arrange for your own accommodation. Check out ideas at www.classicbronze.org*

• Will there be vendors on site?

- *This year, there will be a place and time allotted for you to sell some of your handbell items for your own fundraising purposes. There will be no official handbell vendors on site so you will need to plan ahead and see that you have your music, your binderstand, mallets, rehearsal gloves and black gloves for the concert. Please contact classicbronze.org@gmail.com if you have questions.*

• How are assignments going to be determined?

- *On the application form for both Bronze and Copper ringers, we have asked each ringer to rate their preferred assignments. Even with this information, determining assignments will not be easy. We will try to place you in one of your top three positions but cannot guarantee it. We will not place you in any positions that you have said no to on your application. If there are ten applications for ringers whose first choice is the same, we will check to see when the application was completed and give, when possible, that person their first preference.*

• **How do I prepare for rehearsals?**

- The best way to do that is to study your score weeks before rehearsal starts. You will need to mark your music for bell changes as well as any complex counting or rhythms. Check out Utube links to the pieces. Please try to rehearse with other ringers from your area. Rehearsals will focus on making music, not sorting out bell changes or meter.

• **Can my family come the Final Concert?**

- The final concert will be on Saturday evening. It will be open to the public.

• **What is concert dress?**

- The Classic Bronze/Copper golf shirt, black gloves and black bottoms will be worn for the final concert.
