from Bucknell University, Lewisburg, Pennsylvania

The poster features a vibrant, multi-colored background with a central white waveform and musical notes. The text is white and black, providing a high-contrast look against the colorful backdrop.

Classic Bronze has enjoyed working under the directorship of Dr. William Payn who is Director of Choral Studies at Bucknell University in Lewisburg, Pennsylvania. Well-known in the handbell world for writing interesting and intricate handbell pieces, Dr. Payn is always in demand as a clinician. Dr. Payn has conducted in four national festivals and numerous area festivals, as well as for the International symposium in New Mexico for the Handbell Musicians of America. In 1988, he travelled to Japan, where he served as clinician and guest conductor for the Handbell Ringers of Japan and the ringers at Kwasnsei Gakuin University. Two of his compositions, "Bread of Angels" and "Transitions", will be featured in today's concert.

Classic Bronze is an advanced ringing event; ringers from across North America and Australia have joined together and participated in an intensive four days of rehearsals, developing their musicality, timing and techniques.

We hope you enjoy the concert.

Join us in 2015 when our director will be Fred Gramann from the American Church in Paris, France.
